CASE NO: 6:19-CR-41-H-BU

DEPUTY CLERK

ORDER OF DETENTION

\_\_\_\_ Defendant is in custody based upon another offense, making release moot in this proceeding. Therefore, the detention hearing is postponed until such time as defendant's custodial status on the other matter changes. If it does, defendant's attorney shall file a motion to reconsider detention, and a detention hearing shall be scheduled.

X Defendant and his/her attorney filed a written waiver of detention hearing. Defendant with advice of counsel agreed that an order of detention could be entered without further evidence based solely on the grounds stated in the United States' motion for pre-trial detention. Therefore, it is found that the motion for pre-trial detention and the charging document constitute clear and convincing evidence that there is no condition or combination of conditions of release that will reasonably assure the appearance of the defendant as required and/or the safety of any other person and the community.

It is, therefore, ORDERED that defendant be detained without bond pending further order. Defendant is committed to the custody of the Attorney General or his/her designated representative for confinement in a corrections facility separate, to the extent practicable, from persons awaiting or serving sentences or being held in custody pending appeal. The defendant shall be afforded a reasonable opportunity for private consultation with defense counsel. On order of a court of the United States or on request of an attorney for the Government, the person in charge of the corrections facility shall deliver the defendant to the United States Marshal for the purpose of an appearance in connection with a court proceeding.

DATED: December 9 2019.

JOHN R. PARKER  
UNITED STATES MAGISTRATE JUDGE
